Mr. Bozeman explained prior to 1999 Middle Tennessee State University was utilizing one of the educational channels on the cable system. The franchise agreement with Comcast reserves two educational channels for use by MTSU. Included in the agenda packet was the notice of the public hearing and criteria for reviewing MTSU's use of the channels.

Chair Campbell opened the public hearing.

Channel 9

Mr. Ty Whitaker, Director of the Educational Resource Channel, went over the report for MTSU Channel 9 and required criteria which was included in the agenda packet. Hear from MultiMedia Producer Marcus Delaney regarding his CityTV Productions Mr. Delaney stated he is responblie for televising live Planning Commission meetings and one live City Council meeting per month. He also produce local informational programs like three foreign language news programs, State of the City Schools, Life After 60 with St Clair Senior Center, and RecConnection with Parks and Recreation.
